

Division of Continuing Education

## UNF Division of Continuing Education announces the next Certification in Transportation and Logistics (CTL) Cohort Program

The UNF Certification in Transportation and Logistics (CTL) cohort is a jointly sponsored program by the American Society of Transportation and Logistics, Inc, the University Of North Florida Coggin College Of Business, Transportation and Logistics Flagship Program, UNF Division of Continuing Education and the Employ Florida Banner Center of Logistics and Warehousing.

### Who Should Attend

This program is designed for leaders and supervisors in the logistics and supply chain industry and individuals wanting to pursue a career in transportation and logistics. A special focus is on leaders from the first level through mid-level in an organization. However, it is also appropriate for directors to C-level executives to participate.

### Certification Eligibility Requirements

To be eligible one must possess a BS or BA degree from any accredited college, or three years of professional experience and successfully complete all modules. Individuals with a college degree or appropriate experience in a related field and are unemployed or underemployed are also eligible.

### Modules

General Management Principles and Techniques-32 hours (includes 8-hour lab project)  
Transportation Economics and Management-32 hours (includes 8-hour lab project)  
Logistics Management-32 hours (includes 8-hour lab project)  
International Transportation and Logistics-32 hours (includes 8-hour lab project)  
Supply Chain Management-32 hours (includes 8-hour lab project)  
Creative Component-32 hours

### Tuition

The tuition is \$4995 inclusive; it includes all course materials, books, supplies, and registration fees for AST&L.

Upon the completion of the six-month program participants will earn membership into the AST&L as well as their professional designation of CTL. Graduates of this AST&L-sponsored program will not have to take any exams for the designation.
